Utterly charming! The rain was a refreshing change from our 45°C weather in Sedona, Arizona.

Good Luck with Jr.! We recommend 4 children.

Dear Catina and Jirgey,

We enjoyed our stay very much.

Our holidays started with an overnight stay at your farm and ended with two nice holidays.

Your hospitality and friendliness made those days something special for us.

We wish you and the future of spångagården all the best.

We will come again!

Lovely greetings
yours

Reswitha and Jule
